Re: Your Public Records Request

Dear Ms. Tolentino:

I write in response to your public records request received on December 11, 2018¹ and made pursuant to the Massachusetts public records law, G.L. c. 66, § 10. By using the e-form available through our website, you requested copies of records from the Office of the Attorney General, specifically "[a]ll complaints of wage theft made to the State of Massachusetts or any of its subsidiary agencies concerning employers in the cities of Boston, Cambridge, and Somerville, MA, from July 21, 2016 to the date this request is processed."

I understand that Margaret Quackenbush in our Press Office has attempted to contact you via e-mail and phone but has been unable to reach you. As written, we estimate that fulfilling your request for "all complaints of wage theft" would be time-consuming for this Office and result in a cost to you of over one thousand dollars (\$1,000.00). At your earliest convenience, please contact Ms. Quackenbush to discuss how you would like us to proceed.

Very truly yours,

A handwritten signature in blue ink, appearing to read "Lorraine A.G. Tarrow".

Assistant Attorney General & Records Access Officer
General Counsel's Office
